

Oh What A Night (4 Luv)

Rick James

Oh, my love
You might find the words I say come surprising
But there's a feeling deep inside of me
And it's slowly rising, oh, baby
Oh, my love
Can't wait to feel your lips, so warm and tender
Say you'll be mine tonight, girl, give it up
Come on, baby, and surrender, oh, well, well, well

Oh, what a night for love
(Oh, what a night for love)
Oh, what a night for making love with you, baby
(Oh, what a night for love)
Oh, what a night for love, baby
(Oh, what a night for love)
Oh, what a night for making love with you
Oh, what a night for love

Oh, what a night
(Oh, what a night for love)
Whoo!

Oh, my love
Tell me that tonight's the night for romance
Don't be afraid, my love, to open up
Come on, baby, and take a chance, oh, baby, oh, baby
Oh, my love
Let's lock ourselves together and make love all night
Let's you and me throw away the key
And lose it, girl, 'til we get it right, oh, well, well, well

Oh, what a night for love
(Oh, what a night for love)
Oh, what a night for making love with you, baby
(Oh, what a night for love)
Oh, what a night for love, sweet baby
(Oh, what a night for)
Oh, what a night for squeezing and teasing
And kissing you all over, ooh-ooh-ooh...

(Oh, what a night for love)
What a beautiful night for making love with you
(Oh, what a night)
Oh, yeah

Oh, what a night
To make some sexual love with you
Tonight, forever
Doin' it good, doin' it good
Oh, what a night for lovin' you

Oh, what a night
Oh, what a night, yeah
