

# So Soft So Wet

Rick James

Mmm, mmm, ah, can't control myself

So soft, so wet  
So soft, so wet  
So soft, so wet  
So soft, so wet

Love me now, girl, say you will  
Open wide, and let me feel the thrill  
(Open up, baby)  
But we're creatures of the night in a passing time  
Girl, I die and come alive when I'm between  
When I'm between your soft and creamy thighs in my bed

So soft, so wet  
You go to my head, you go to my head  
So soft, so wet  
And our bodies join together like the rain and stormy weather  
So soft, so wet

So soft, so wet  
So soft, so wet  
So soft, so wet  
So soft, so wet

Love me down, girl, just be my freak  
Be my super freak now, baby  
Scream my name when you reach your peak  
But we're creatures of the night in a passing time  
Girl, I die and come alive when I'm between  
When I'm between your soft and creamy thighs in my bed

So soft, so wet  
You go to my head, you go to my head  
So soft, so wet  
And our bodies join together like the rain and stormy weather  
So soft, so wet

Yeah, now funk me  
So soft, so wet  
Funk me  
So soft, so wet  
Baby, funk me  
Funk me  
Baby, funk me  
Yeah
