

## Stormy Love

Rick James

Today my love is like a raging storm  
The emptiness surrounds me, and I am torn and lost  
Within the realm that you are gone  
Drowning am I in a pool of tears  
To think that for years to come  
I must live alone without you  
The only one I've ever loved  
And in the night my heart must reminisce  
And I savor each memory of you  
Like a fine wine  
It is said that time will heal the wounds of all men  
As for me there is no time and no cure  
For the love you gave was pure  
Until this day the gods have not forgiven me for betraying you  
And you, do you lie awake at night with thoughts of me in your head?  
Is there another lover, a stranger beside you in your bed?  
To take the place of me  
These words and thoughts from me to you  
Will come and go in space and time  
And I'll never forget that once you were mine  
If saying come back will bring you here  
I'd say come back my dear  
As for now my love is like a storm today
