

# You Turn Me On

Rick James

Hola, señorita  
Estas muy caliente  
Gracias, caballero  
Pero mas caliente es tu

I like your style  
I even like the clothes that you wear  
Can't wait to touch  
And run my fingers through your hair, baby  
Mama, you got the eyes, you got the lips I wanna kiss  
And I want you to know it's true  
Mama, you got the legs, you got the body I can't resist  
I'll never let you go, no no

Mama, you turn me on  
You turn me on  
Baby, you light my fire  
You light my fire  
Mama, you turn me on  
You turn me on  
Baby, you take me higher  
You take me higher

You turn me on  
You turn me on

You turn me on  
You turn me on  
You turn me on  
You turn me on

I'd like to know what goes on inside of your mind  
Girl, can we talk, I really think I do have the time, baby  
Mama, you got the eyes, you got the lips that I wanna kiss  
And I want you to know it's true  
Mama, you got the legs, you got the body I can't resist  
And I'll never let you go, oh no

Mama, you turn me on  
You turn me on  
Baby, you light my fire  
You light my fire  
Mama, you turn me on  
You turn me on  
Baby, you take me higher  
You take me higher  
You turn me on  
You light my fire  
Mama, you turn me on  
You turn me on  
Mama, you light my fire, yeah  
You light my fire  
Mama, you turn me on  
You turn me on  
Mama, you take me higher  
You take me higher  
Higher and higher

You turn me on  
You light my fire  
Mama, you turn me on

You turn me on  
You turn me on  
You turn me on  
You turn me on

You turn me on  
You turn me on  
You turn me on  
You turn me on  
You turn me on  
You turn me on  
You turn me on  
You turn me on
