

Nothing Can Stop Us Now

Rick Price

Soft as the rainbow
Like stardust in moon glow
I see the love in your eyes

Like autumn leaves falling
In the first light of morning
It came to my surprise

True love calls
Just once in a lifetime
Why should we wait
When now is the right time

Nothing can stop this love we're in
Nothing can stand in our way
Nothing can block this road we've taken
Nothing can stop us now

The joy of surrender
So strong it's so chanting
I give my heart to you

You know you can trust me
And that's how it must be
No matter what we do

Faithful friends and lovers forever
Right till the end we'll always be together

Nothing can stop this love we're in
Nothing can stand in our way
Nothing can block this road we've taken

When love comes
Sweetly to your door
Embrace completely
What your soul is longing for

Nothing can stop this love we're in
Nothing can stand in our way
Nothing can block this road we've taken
Nothing can stop us now

Nothing can stop us now
