

## Aston Martin Music

Rick Ross

Vibing to the music this is how we do it all night (all night)  
Breezing down the freeway just me and my baby, in our ride  
Just me and my boss no worries at all  
Listening to the Aston Martin Music Music

Would have came back for you  
I just needed time to do what I had to do  
Caught in the life I cant let it go  
Whether that's right I will never know  
But here goes nothing.

When I'm alone in my room sometimes I stare at the walls  
Automatic weapons on the floor but who can you call?  
My dime bitch one that live by the code  
Put this music shit aside get it in on the road  
A lot of quiet time pink bottles of rose  
Exotic red bottoms so body glittered in gold  
Following fundamentals and following in a rental  
I love a nasty girl that swallows whats on the menu  
My money triples up when you get it out of state  
I need a new safe cause I'm running out of space  
Elory Jetson I'm somewhere out of space  
In my two seater she's the one that I would take

Vibing to the music this is how we do it all night (all night)  
Breezing down the freeway just me and my baby, in our ride  
Just me and my boss no worries at all

Pull up on the block in the drop top chicken box  
Mr. KFC bps is in the watch  
Living fast where its all about the money bags  
Never front you take there and never come back  
Top down right here is where she wanna be  
As my goals unfold right in front of me  
Every time we fuck her soul takes a hold of me  
I dig it like pokey the pussy be controlling me  
That thang keep calling  
Fuck maintain boy I gotta keep BALLIN  
Pink bottles keep coming  
James bond coupe pop clutch 100

I talk slicker than a pimp from Augusta  
Who just had his linen suit dry-cleaned, bitches, what's up witcha?  
I hate callin' the women bitches, but the bitches love it  
I took some sense and made a nickel of it  
I'm urg'in' all daughters to kiss they mothers  
With those lips that all that lipstick covers  
You're never too grown up to miss and hug her  
And girls countin' on me to be there like missin' rubbers  
I'm on some Marvin Gaye shit, a bunch of distant lovers  
This ain't the life that I'm used to

Reintroduced to people I've been introduced to  
Did you forget me? Or are you too scared to tell me that you met me  
And fear that I won't remember, I wish you could still accept me for me  
I miss Memphis, Tennessee, my cousins, my dad  
The simplistic beauty that all of them Southerners have  
I'm halfway across the world with dozens of bags  
Feelin' like all four members of Color Me Badd  
In one nigga, amazing shit

I got that Courtney Love for you, that crazy shit  
I don't drink every bottle I own, I be agin' shit  
And I got them wedding ring flows, that engagin' shit  
Which one of y'all got fleets on your keychains? The seats for these Heat games?  
I really think you stare at yourself and you see things  
La Familia, I've been inducted and instructed  
To stunt on these niggas we don't really fuck wit  
Fuck is up?

Havin' lunch and debatin' Ferrari prices  
23 and goin' through a midlife crisis  
But trust me, I still deliver like a midwife  
And no, I'm not sayin' I'm the nicest, I just live like it  
Uh, it take a certain type of man to teach  
To be far from hood, but to understand the streets  
I never threw away that paper with my Grammy speech  
Because I haven't hit the pinnacles I plan to reach  
Yeah, you gotta own it if you want it  
Kisses all on her body, she tells me live in the moment  
And, baby, I'll never forget none of that  
Girl, I told you I was coming back  
Aston Martin Music Music (Aston Martin Music, Music)
