My new bitch, she a waitress, strip club is a trap
Stick my dick in her pussy when she come sit on my lap
Get that paper, my plug, he sent that pack from Bahamas
It's uncut like the 80's, 17 still my number
Candy paint on my donk, Jesus piece on my charm
[?], she just wanted a bump
Her man wanted a line, so I sold 'em a verse
Sold a quarter for 9, and I sold 'em the vert
Can't be takin' them trips, for that flea market whip
Peep this Rollie fugazy, I'm sellin' game to a pimp
Line up all of my bitches, head crack 'em and check 'em
Even if she barefooted, I bet the streets gon' respect her
