## **In Cold Blood**

Run with me or run from me Pussies don't get pussy

Yeah

I murdered all of my foes contract killing Twenty k will get ya grandmamy pinned to the ceiling Midst of the war I piss on graves Kids get graced by my piss poor waves Never could imagine it livin with perellis Shoulda check ya rearview made a better resonance Wack yayo caught him slippin while he snort dust Cold blood bullet hit him like a tour bus Check the time on my bevardo my jazzy bitch in milano With niggaz pay me the model Sway louis on my feet still runnin the street And I never missed a heartbeat

Family over the money Money over the bitches Money don't mean nothin And why they callin it riches Im addicted to watches Mama tellin me stop it Got 1 over 50 50 you better watchin

Do him in cold blood Look him in his eyes may do him with no gloves Beat the case like orinfa Above the law its so hard to pin the big dog Live on so I still bark In my earliest advance ima kill ya Make a lil cake haters wanna envy God wanna see you niggaz in a bentley

Family over the money Money over the bitches Money don't mean nothin And why they callin it riches Im addicted to watches Mama tellin me stop it Got 1 over 50 And keep 50 in my pocket

Limousines for the don ima three as the charme Flee red carpet chillin e on my arm Purple rain smokin haze smokin weed call it purple brain Im in the purple lable daddy got a purple heart Not in the service but I'm swoorvin in a purple car Whats the bitch needed all changed I go and buy a new one cause I'm sport man

Family over the money Money over the bitches Money don't mean nothin And why they callin it riches Im addicted to watches Mama tellin me stop it You know I'm totin the rocket So don't make a nigga poppin
