Bet you hear my pipes rev when I tip the scale
Rich forever, still a muscle and it never fails
You a house nigga so they let you get the mail
We in the back whippin' egg whites and crackin' shells
Robin jeans for my team, pocket for the sale
Pussy niggas gossip pray you die from gonorrhea
Al Capone where I'm from that Benzo bullet proof
Neighborhood dope boy you can get it too
Fuck them pussy niggas catch they ass at Smoothie Kings
Hundred missed calls after that new toolie rings
Skip South Beach bitch bring it to the ridge
For that change, put that thing right up to your ribs

Uh, I'm your neighborhood drug dealer
Its your neighborhood drug dealer
Uh, its your neighborhood drug dealer
I'm your neighborhood drug dealer
Neighborhood drug dealer
Its your neighborhood drug dealer
One, two, what it be?
Michael Jordan, white, bitch, 23

Chevy SS, she heard I bump fire
Got row houses up and down through Pembroke Pines
Say the streets count, I say its bout time
Bail on my mama been about mine
Still pay my child support, in all trap money
All 5's and 10's, can't touch my rap money
She won't fuck with me, I'm hatin', yeah I'm pussy stank
Meet your amigo mama then you crack the piggy bank
Dope boy dream, never lose it all
Montgomery Alabama know we love the send 'em soft
Baton Rouge's a Actavis and act a fool
Neighborhood dope boy you should hit me too

Uh, I'm your neighborhood drug dealer
Its your neighborhood drug dealer
Uh, its your neighborhood drug dealer
I'm your neighborhood drug dealer
Neighborhood drug dealer
Its your neighborhood drug dealer

One, two, what it be?
