3 Warning Shots

Rick Springfield

Dear disillusioned boy, Who taught you to destroy Everything that's beautiful Everything that shines You're the monster underneath your bed and I'll I'll give you 1 warning shot, I'll give you 2 warning shots, I'll give you 3 warning shots to the head I know you I give Lucifer his due He promised you you'd be legit But everybody thinks you're shit I hope every dream you dream, you dream in red and I'll I'll give you 1 warning shot, I'll give you 2 warning shots, I'll give you 3 warning shots to the head Yeah you caught Johnny-on-the-spot But no one gives you a second thought and I'll I'll give you 3 warning shots to the head Standing on a New York sidewalk with a loaded gun Mommies depressed little joy Holden Caulfield's stable-boy Hey come on wake up you sleepy head, and I'll give you I'll give you 1 warning shot, I'll give you 2 warning shots, I'll give you 3 warning shots to the head You got empty brain and crazy thoughts 'The voices' had you tied in knots and I'll I'll give you 3 warning shots to the head
