Affair of the Heart

Rick Springfield

Heart in my mouth Pulse in my head Mercury rising into the red The smell of your skin can Light up all the fires in me

Hungry to touch I'm eager to please Out of control And I hand you the keys Every night I am burning To make love to you

But don't try to tell me you think it's all physical It goes much deeper than that

You ought to know It's an affair of the heart It's an affair of the heart It's an affair of the heart Have a little blind faith, believe It's an affair of the heart

When we make love It's a passionate thing You shudder and shake Sink your teeth in my skin I almost believe you were made To be played by my hands

And you got the power It amazes me still How you play my emotions With consummate skill I don't have to look any further Than into your eyes

So don't try to tell me You think it's just physical It goes way deeper than that

You better know It's an affair of the heart It's an affair of the heart It's an affair of the heart Have a little blind faith, believe It's an affair of the heart

I'm the controller And I want to touch you and seize you And make you mine, hey, hey

Don't try to tell me You think it's all physical It goes much deeper than that You ought to know It's an affair of the heart It's affair of the heart

You better know It's an affair of the heart It's an affair of the heart

You better know it's an affair of the heart Have a little blind faith, believe It's an affair of the heart
