

Baker Street

Rick Springfield

Winding your way down on Baker Street
Light in your head, and dead on your feet
Well another crazy day
You drink the night away
And forget about everything
This city desert makes you feel so cold,
Its got so many people but its got no soul
And it's taken you so long to find out you were wrong
When you thought it held everything

You used to think that it was so easy
You used to say that it was so easy
But you're tryin', you're tryin' now
Another year and then you'd be happy
Just one more year and then you'd be happy
But you're cryin', you're cryin' now

Way down the street there's a light in his place
He opens the door
He's got that look on his face
And he asks you where you've been
You tell him who you've seen
And you talk about anything
He's got this dream about buyin' some land
He's gonna give up the booze and the one night stands
And then he'll settle down
It's a quiet little town
And forget about everything
But you know he'll always keep movin'
You know he's never gonna stop movin'
'Cause he's rollin'
He's the rolling stone
And when you wake up it's a new mornin'
The sun is shining it's a new mornin'
And you're going, you're going home
