Broken Wings

Rick Springfield

Baby don't understand Why we can't just hold on To each other's hands

This time might be the last I fear unless I make it all too clear I need you so

Take these broken wings And learn to fly again And learn to live so free And when we hear the voices sing The book of love will open up And let us in Take these broken wings

Baby I think tonight We can take what was wrong To make it right

Baby it's all I know That you're half of the flesh And blood makes me whole Need you so

Take these broken wings And learn to fly again And learn to live so free And when we hear the voices sing The book of love will open up And let us in Take these broken wings You got to learn to fly And learn to live so free And when we hear the voices sing

Let us in Let us in

Baby it's all I know That you're half of the flesh And blood makes me whole Yeah, yeah, yeah Yeah, yeah so

Take these broken wings And learn to fly again And learn to live so free And when we hear the voices sing The book of love will open up And let us in Take these broken wings You got to learn to fly And learn to live so free And when we hear the voices sing The book of love will open up And Tetruston
