

# Do You Love Your Children

Rick Springfield

Father, do you love your children, I heard you do  
But Father will you help your children, we need you to  
It could be worse I know it's true, but only if we plan  
La la la Lady Mary, it's time to show your hand  
La la la Lady Mary and make a few demands  
Children, do you hope that someone is watching you  
But do you feel the need for someone, I know I do  
I think about it constantly, we really aren't that wise  
La la la Lady Mary, open up our eyes  
La la la Lady Mary and make us realize  
First, I have a question  
(Do you love us?)  
I would like to know  
(Do you love us?)  
Do you love your children  
(Do you love us?)  
Do you love your children  
(Do you love us?)  
Yes, we really need to know  
(Do you love us?)  
I think the time has come for you to show  
(Do you love us? Do you love us? Do you love us?)  
(Do you love us? Do you love us? Do you love us?)  
(Do you love us? Do you love us?)  
Mother, do you love your children, I know you do  
But mother, do you know your children will poison you  
The answer does not seem too clear, we look so hard ourselves  
La la la Lady Mary, put your books back on the shelf  
La la la Lady Mary and save us from ourselves  
First, I have a question  
(Do you love us?)  
I would like to know  
(Do you love us?)  
Do you love your children  
(Do you love us?)  
Do you love your children  
(Do you love us?)  
Yes, we really need to know  
(Do you love us?)  
I think the time has come for you to show  
(Do you love us? Do you love us? Do you love us?)  
(Do you love us? Do you love us? Do you love us?)  
(Do you love us? Do you love us?)
