Come on, baby, dry your eyes Wipe your tears Never like to see you cry Won't you please forgive me?

I wouldn't ever try to hurt you
I just needed someone to hold me
To fill the void while you were gone
To fill this space of emptiness

I'm only human
Of flesh and blood I'm made
Human
Born to make mistakes

So many nights I longed to hold you So many times I looked and saw your face Nothing could change the way I feel No-one else could ever take your place

I'm only human
Of flesh and blood I'm made
Human
Born to make mistakes

I am just a man

Please forgive me

The tears I cry aren't tears of pain They're only to hide my guilt and shame I forgive you now I ask the same of you While we were apart I was human too

I'm only human
Of flesh and blood I'm made
I am just a man
Human
Born to make mistakes
