

I'll Make You Happy

Rick Springfield

I, I'll give, I'll give you, I'll give you love.
I'll give you loving all the time.
Give you kisses just like wine
Does his lips taste sweeter than mine?

I'll make you happy (just like your mamma wants)
I'll make you happy (just like your daddy said)
I'll make you happy just like your mamma said to me

If, if you, if you don't, if you don't think.
If you don't think I'm your man
Find somebody if you can
And get them to hold your hand, not me.

I'll make you happy (just like your mamma wants)
I'll make you happy (just like your daddy said)
I'll make you happy just like your mamma said to me

I, I'll give, I'll give you, I'll give you love.
I'll give you loving all the time.
Give you kisses just like wine
Does his lips taste sweeter than mine?

I'll make you happy (just like your mamma wants)
I'll make you happy (just like your daddy said)
I'll make you happy just like your mamma said to me
