

It's Driving Me Crazy

Rick Springfield

It's driving me crazy!

It's driving me crazy
I don't know where I stand
There's just too many people around
It's driving me crazy
I just don't understand
I'm looking but I'm making no ground
It's driving me crazy.

But I know that there's no need to worry, gonna get you
Though they tell me there's no need to hurry, got to run me down.

It's driving me crazy
I don't know where I stand
There's just too many people around
It's driving me crazy
I just don't understand
I'm looking but I'm making no ground
It's driving me crazy.

If you see me, you'd better start runnin', better run run
'Cause I'm telling you I'll be out guarding, gonna run you down.

It's driving me crazy, it's driving me crazy.

It's driving me crazy, it's driving me crazy, it's driving me crazy.

It's driving me crazy
I don't know where I stand
There's just too many people around
It's driving me crazy
I just don't understand
I'm looking but I'm making no ground
It's driving me crazy.

It's driving me crazy, it's driving me crazy, it's driving me crazy.

Crazy, crazy, ooh, ooh
Crazy, crazy, ooh, ooh
Crazy, crazy, ooh, ooh, crazy
I'm going crazy, crazy ...
