

# Living in Oz

Rick Springfield

Ever since I was a kid  
I remember having dreams of grandeur  
I was gonna be someone, I know what I want

Everybody played second best  
And I held you back just like all the rest  
I think I got what I want

Everybody's got to fight their demons  
And you know I had to fight mine, too  
It took a lot out of me, it took a lot out of you

To be Living In Oz, Living In Oz  
Sometimes the dream can wake you  
Living In Oz, Living In Oz  
Sometimes the dream can shock you, too

All the money that I spend on you  
Doesn't mean a thing if the love's not true  
Baby please, I'll get what you want

Can't you tell me you and me ain't lost  
I know what I did, I know what it cost  
Now I'm yours and I've got what you want

All the fightin' will have been for nothin'  
If at the end I can't have you  
I'll throw it all away if that's what you want me to do

Living In Oz, Living In Oz  
Sometimes the dream can wake you  
Living In Oz, Living In Oz  
Sometimes the dream can shake you, too

Funny how desire can burn you up inside  
And make you commit emotional suicide  
Everybody's got the desire to leave their mark  
Some just do it over a trail of broken hearts

And all the people that protect and serve  
Would disappear if the well dried up  
I'm thirsty for affection  
Let me drink from your loving cup

Living In Oz, Living In Oz  
Sometimes the dream can shock you  
Living In Oz, Living In Oz  
Sometimes the dream can rock you  
Living In Oz, Living In Oz  
Sometimes the dream can shake you  
Living In Oz, Living In Oz  
Sometimes the dream can wake you, too
