

# Love Somebody

Rick Springfield

I can see the path you're cutting  
It cost me a little piece of my heart  
I can see the doors you're shutting  
'Cause they were open at the start

Baby, loving you has been hard on me  
You're such a tough little sister  
Just looking for Mr. Right  
On the wrong side of town

You better love somebody  
It's late  
You better love somebody  
Don't wait  
You better love somebody  
Don't tempt fate  
You're gonna push it just a little too far  
One night

Your eyes are wild, your skin's so white  
You're undernourished and overfed  
She's got the teeth, she knows how to bite  
'Cause when you bit I bled

You got the perfect image  
Of the perfect man  
You're a tough little sister  
But you'll settle for a mister tonight  
But you're running out of time

You better love somebody  
It's late  
You better love somebody  
Don't wait  
You better love somebody  
Don't tempt fate  
You're gonna push it just a little too far  
One night

I'm only saying what I feel  
You think I'm wrong I know  
You thought I was sleeping at the wheel  
I thought that you were driving

You better love somebody  
You better love somebody

You better love somebody  
It's late  
You better love somebody  
Don't wait  
You better love somebody  
Don't tempt fate  
You're gonna push it just a little too far  
One night

One night - oh oh oh oh

One night - oh oh oh oh  
One night - oh oh oh oh  
One night - oh oh oh oh
