

# State of the Heart

Rick Springfield

It's just the state of the heart  
I'm waiting here for you  
In the state I'm in

I know your name, I told you mine  
We've stopped and passed the time of day  
You work in town, I work at night  
That gives us six until seven to work this out

If I seem a little strange  
It's just the state of the heart  
I'm waiting here for you  
In the state I'm in

You are the moon, I am the sea  
You pull me in and gaze on down at me  
I was alone, I thought I was immune  
It's good to know  
The door can still be open wide

If I seem a little strange  
It's just the state of the heart  
I'm waiting here for you  
In the state I'm in

It's just the state of the heart  
I wait in the dark  
In the state I'm in

We get closer and closer  
To falling out or falling in  
I go over and over  
But I can't change the state  
This heart is in

If I seem a little strange  
It's just the state of the heart  
I'm waiting here for you  
In the state I'm in  
It's just the state of the heart  
You know I wait in the dark  
In the state I'm in

It's the state of the heart  
The state of the heart  
The state of the heart  
The state of the heart
