## **State of the Heart**

## **Rick Springfield**

It's just the state of the heart I'm waiting here for you In the state I'm in

I know your name, I told you mine We've stopped and passed the time of day You work in town, I work at night That gives us six until seven to work this out

If I seem a little strange It's just the state of the heart I'm waiting here for you In the state I'm in

You are the moon, I am the sea You pull me in and gaze on down at me I was alone, I thought I was immune It's good to know The door can still be open wide

If I seem a little strange It's just the state of the heart I'm waiting here for you In the state I'm in

It's just the state of the heart I wait in the dark In the state I'm in

We get closer and closer To falling out or falling in I go over and over But I can't change the state This heart is in

If I seem a little strange It's just the state of the heart I'm waiting here for you In the state I'm in It's just the state of the heart You know I wait in the dark In the state I'm in

It's the state of the heart The state of the heart The state of the heart The state of the heart
