

# The Ballad of Annie Goodbody

Rick Springfield

Well I took Annie out  
To see a show  
But the music that played  
Was too slow

And I knew  
If I was going to make any ground  
I'd have to get some place  
Where the music was loud

I said "okay babe what do you wanna do"  
We can cut on out  
If you want to  
She looked at me and said  
"Just what this place needs  
is some good ol' rock and roll  
right from the seeds"

Stand in front  
Cause she climbed on the stage  
And when she opened her mouth  
She could really rave  
She sang like a bird  
And moved like a snake  
Suddenly the hall began to shake

Well her body started rocking  
On the dance floor  
Moving and a shaking  
And wanting more  
She nearly brought the roof down  
With all the rock and roll

Her body started shaking  
With the songs that she sang  
Even big Lucy and her female gang  
Her music was loud  
Things were getting hot  
Whatever it is  
Annie's sure got

Ooh every body started shakin  
With the songs that she sang  
Even big Lucy and her female gang  
The music was loud  
Things were getting hot  
Whatever it was  
Annie's sure got

Yeah Yeah Annie Goodbody  
I love you  
Yes I do  
You know I love you
