

# Under the Milky Way

Rick Springfield

Sometimes when this place gets kind of empty  
Sound of their breath fades with the light  
I think about loveless fascination  
Under the Milky Way tonight

Wish I knew what you were looking for  
Might have known what you would find

And it's something quite peculiar  
Something that's shimmering and white  
Leads you here despite your destination  
Under the Milky Way tonight

Wish I knew what you were looking for  
Might have known what you would find

Wish I knew what you were looking for  
Might have known what you would find

Lower the curtain down in Memphis  
Lower the curtain down all right  
I got no time for private consultation  
Under the Milky Way tonight

Wish I knew what you were looking for  
Might have known what you would find

Under the Milky Way tonight  
Under the Milky Way tonight  
Under the Milky Way tonight
