## **Awaken**

## **Rick Wakeman**

Master of images songs cast a light on you Hark through dark ties that tunnel us out of sane existence In challenge as direct as eyes see young stars assemble

Master of light, all pure chance As exists cross divided in all encircling mode Oh, closely guided plan awaken in our heart

Master of soul set to touch all impenetrable youth Ask away that thought be contact with all that's clear Be honest with yourself, there's no doubt

Master of time setting sail over all of our lands And as we look forever closer Shall we now bid farewell, farewell?
