

# Brainstorm

Rick Wakeman

Listen, people  
All you people  
Here's my story  
Here's my story  
You're all mad  
And I'm glad  
But the lady looks a riot  
Even though that she's sad  
I'm cross  
And I'm lost  
But the shady little lady  
Don't doubt on my boss  
I'm fat, I'm thin  
I'm pulling off skin  
It doesn't really matter if you're out  
Or you're in  
Well all right  
Good night  
The brain is not the same  
But the time is all right  
Listen people, you people, you people  
Here's a story, a story, a story  
Listen people, you people, you people  
Here's a story, a story, a story  
Tell me, tell me  
Won't you tell me  
Won't you tell me  
Won't you tell me  
Listen, people  
All you people  
Here's a story  
Yes a story  
In my brain  
It might shine  
But the crazy little lady  
Well she's doing just fine  
I'm tall, and I'm strong  
But the lady comes a running  
When she hears my call  
I'm sad, it's all brag  
Bugs bunny, bugs bunny  
Doesn't live in my head  
Well I'm near  
Well I'm here  
Well al right, right, right, right  
Listen people, you people, you people  
Here's my story, my story, my story  
Come and join me, yes join me, yes join me  
I'm feeling all right  
I'm doing all right
