

# Message Of Mine

Rick Wakeman

I see your face  
In every place  
But you don't hear the message of mine  
You think you know  
All there is to know  
But you don't see the sign of times  
And if you don't fit  
Well you'll just get hit  
With a punishment to fit the crime  
So listen real good  
And you know you should  
To the message, the message of mine  
Oh, look around you  
Oh, can you hear the sea  
Oh, can you hear the sea  
Oh, I know that could be me  
If you help yourself  
To help yourself  
Then you'll open up a passage of time  
And pave the way  
For a judgement day  
Which will come with thundering sign  
So look real hard  
And pick your card  
But the joker's still hidden inside  
So until you hear me  
Loud and clear  
You won't get the message of mine  
Listen to the message of mine  
Listen to the message of mine  
Listen to the message of mine  
Listen to the message of mine  
If you could see  
What I can see  
Then you'd understand the message of mine  
As you grow old  
And the future grows cold  
For children yours and mine  
For they wanna give  
And they wanna live  
In a world that is loving and kind  
So act right now  
Cause' we all know how, the message of mine  
Oh, look around you  
Oh, you've done it all too few  
Oh, can it all harm you  
Oh, it's finished all since here  
Oh, will you listen  
Oh, one more chance to hear  
The message of mine  
The message of mine  
The message of mine  
The message of mine
