

## The Hymn

**Rick Wakeman**

I would not love you if I understand you I do not want to behold  
your face Uncomprehending I'm contented Knowing my station and  
my place O precious saviour O great creator Don't give me signs  
I don't want to see Better by far that you stay unfathomed I  
could not love someone just like me

Uncomprehending I'm contented Knowing my station and my place
