

The Return Overture

Rick Wakeman

Return to the centre of the earth
A world within a world
An endless journey in time
Return to an origin of life
Of secrets left untold
A mountain yet to climb
A story to unfold
Return to the origin of life
To the hidden cry of man
To a sanctuary of life beneath the earth
Return to the centre of the earth
The return to the centre of the earth
To the centre of the earth
To the centre of the earth
To the centre of the earth
