

# Summer Elegy

Rick Wright

Something's gotta give  
We can't carry on like this  
One year on and more unsure  
Where do we go from here?  
Many nights and many days  
I've spent with you

Talking about what we should do  
I can't say  
Nothing's clear to me no more

One more sleepless night  
And another wasted day  
This song has no end  
Too many words fill my mind  
You gave so much too soon  
No longer sure where you want to be  
Turn around  
See what you have found

Let's drink to absent friends  
How they cared, and all they shared  
We took our life to the edge  
They still try to understand  
Time is running out  
You're going down  
Come on, let's go wherever they may be

Make a choice  
Stay behind or follow me
