

## Company

Rickie Lee Jones

I'll remember you too clearly  
But I'll survive another day  
Conversations to share  
When there's no one there  
I'll imagine what you'd say

I'll see you in another life now, baby  
I'll free you in my dreams  
But when I reach across the galaxy  
I will miss your company

Company  
I'll be looking for company  
Look and listen  
Through the years  
Someday you may hear me  
Still crying for company

So now you're going off to live your life  
You say we'll meet each other now and then  
But we'll never be the same  
And I know I'll never have this chance again  
No, not like you

So, I'll see you in another life now baby,  
I'll free you in my dreams  
But when I reach across the galaxy  
I will miss your company

Company  
I'll be looking for company  
Look and listen  
Through the years  
Someday you may hear me  
Still crying for company
