

# Love Is Gonna Bring Us Back Alive

Rickie Lee Jones

Love's gonna bring us back alive  
Love's gonna bring us back alive  
Over mountains where no one goes  
Oh yeah, yeah, yeah  
We've been runnin'  
Yeah, yeah, yeah  
Gotta keep runnin'  
Oh yeah, yeah, yeah  
'Til love brings us back alive

We've been outlaws on the run  
Sometimes outlaws on the run  
I was just a baby when I fired my gun  
Oh yeah, yeah, yeah  
That's why I keep a-runnin', runnin'  
Yeah, yeah, yeah  
Gotta keep a-runnin'  
Yeah, yeah, yeah  
'Til love brings us back alive

Well the river's only water  
And the mountain's only gold  
When you get old  
Tell me, will you walk through this world alone?

Over mountains  
We'll come home  
Through the desert  
We're gonna come home  
There's no water  
Where the wind has blown  
Oh yeah, yeah, yeah  
Well the rain comes down  
Oh yeah, yeah, yeah  
But we can't stop now  
Oh baby, love will bring us back alive.
