

Spring Can Really Hang You Up The Most

Rickie Lee Jones

Spring this year has got me feeling
Like a horse that never left the post
I lie in my room
Staring up at the ceiling
Spring can really hang you up the most

Morning's kiss wakes trees and flowers
And to them I'd like to drink a toast
I walk in the park
Just to kill the lonely hours
Spring can really hang you up the most

All ?? the birds twitter-twitt
I know this tune
This is love, this is it
Heard it before
And don't I know the score
And I've decided that spring is a bore

Love seems sure around the new year
Now it's April
Love is just a ghost
Spring arrived on time
Only what became of you, dear
Spring can really hang you up the most

Doctors once prescribed a tonic
Sulfur and molasses was the dose
That didn't help one bit
My condition must be chronic
Spring can really hang you up the most

All alone, the party is over
Old man winter was a gracious host
But when you keep praying
For snow to hide the clover
Spring can really hang you up the most.
