

One Night Man

Ricky Martin

It's the story of my life
It's how it always begins
I see you once, I see you twice
I got a taste of paradise
It's not as easy as it seems
When you have complicated dreams
So take me home
Take me to the zone tonight
The story of my life It's gonna be alright

Lady I'm your one night man
Come with me and take a chance
You won't forget it
Never regret it
I can promise you that
Lady give me one last dance
Give me, give me, give me all you can
Suavecito, suavequito
Lady I'm your one night man

It's the way it has to be
I know it's hard to understand
And while it breaks my heart to leave
Somehow you got to believe
I will remember now and forever
This precious time we spend together
So take me home
Take me to the zone tonight
The story of my life It's gonna be alright
