

Private Emotion

Ricky Martin

Every endless night has a dawning day,
every darkest sky has a shining ray.
And it shines on you, baby can't you see,
you're the only one who can shine for me.

It's a private emotion that fills you tonight,
and the silence falls between us as the shadows steal the light.
And wherever you may find it, wherever it may lead,
let your private emotion come to me, (come to me, come to me)
come to me.

When your soul is tired and your heart is weak,
do you think of love as one way street?
Well it runs both ways, open up your eyes,
can't you see me here, how can you deny?

It's a private emotion that fills you tonight,
and the silence falls between us as the shadows steal the light.
And wherever you may find it, wherever it may lead,
let your private emotion come to me.
(come to me, come to me)

Every endless night has a dawning day,
every darkest sky has a shining ray.
It takes a lot to laugh as your tears go by,
but you can find me here till your tears run dry.

It's a private emotion that fills you tonight,
and the silence falls between us as the shadows steal the light.
And wherever you may find it, wherever it may lead,
let your private emotion come to me.

Let your private emotion come to me.
Let your private emotion come to me, come to me, come to me...
