

# The Touch

Ricky Martin

Oh, it's the middle of the night  
And I'm reaching out for you  
In the darkness  
I can feel your touch break through  
When I look into your eyes  
And your skin is against my skin  
I will hold you 'till the sun comes crashing in  
Where would I be now  
Without the tenderness that you possess

The touch... the touch that makes me strong  
That keeps me holdin' on  
I come to you when times are tough  
Your love is just enough  
To lift me up so high  
There's nothing I won't give  
To be with you, to reach for you  
I live... for the touch

Oh, I wanna be the one you need  
I need to be the one you see  
I gotta justify the faith you have in me  
You're the beauty in my life  
You're the sun that lights my soul  
You're the other half I need to make me whole  
Who would I be now  
Without the warmth you bring to everything

The touch... the touch that makes me strong  
That keeps me holdin' on  
I come to you when times are tough  
Your love is just enough  
To lift me up so high  
There's nothin' I won't give  
To be with you, to reach for you  
I live... for the touch

All my life has been a journey, here to you  
Every road and river  
Brought me closer to the touch

The touch... the touch that makes me strong  
That keeps me holdin' on  
I come to you when times are tough  
Your love is just enough  
To lift me up so high  
There's nothing I won't give  
To be with you, to reach for you  
I live... for the touch
