

Baby I'm Sorry

Ricky Nelson

If you love me like you say you do
Baby, true to me
If you love me like you say you do
Baby, never stray from me
I want you, darling, everybody decide
Baby, now can't you see

Oh baby, I'm sorry
(Oh baby, I'm sorry)
For all the wrong I've done
(For all the wrong I've done)

Oh baby, I'm sorry
(Oh baby, I'm sorry)
For all the wrong I've done
(For all the wrong I've done)
Say you'll forgive me
I know I've done you mighty wrong

Oh baby, I'm sorry
(Oh baby, I'm sorry)
For all the wrong I've done
(For all the wrong I've done)

Oh baby, I'm sorry
(Oh baby, I'm sorry)
For all the wrong I've done
(For all the wrong I've done)
Say you'll forgive me
I know I've done you mighty wrong

If you want me, everybody decide
You got to be true to me
If you want me, everybody decide
You got to stay home with me
Don't want no other man to love you
Baby, oh, can't you see

Oh baby, I'm sorry
(Oh baby, I'm sorry)
For all the wrong I've done
(For all the wrong I've done)

Oh baby, I'm sorry
(Oh baby, I'm sorry)
For all the wrong I've done
(For all the wrong I've done)
Say you'll forgive me
I know I've done you mighty wrong

Oh baby, I'm sorry
(Oh baby, I'm sorry)
For all the wrong I've done
(For all the wrong I've done)

Oh baby, I'm sorry
(Oh baby, I'm sorry)

For all the wrong I've done
(For all the wrong I've done)
Say you'll forgive me
I know I've done you mighty wrong
