

## Baby Won't You Please Come Home

Ricky Nelson

Baby won't you please come home  
'Cause you're daddy's all alone  
I have tried in vain  
Never no more to call your name.

When you left you broke my heart  
'Cause I thought we'd never part  
Well every hour in the day  
You can here me say  
Baby won't you please come home, mmm  
Baby won't you please come home.

Baby won't you please come home  
'Cause you're daddy's all alone  
I have tried in vain  
Never no more to call your name.

When you left you broke my heart  
'Cause I thought we'd never part  
Well every hour in the day  
You can here me say  
Baby won't you please come home, mmm  
Baby won't you please come home.

When you left you broke my heart  
'Cause I thought we'd never part  
Well every hour in the day  
You can here me say  
Baby won't you please come home, mmm  
Baby won't you please come home...
