Baby Won't You Please Come Home

Ricky Nelson

Baby won't you please come home 'Cause you're daddy's all alone I have tried in vain Never no more to call your name.

When you left you broke my heart 'Cause I thought we'd never part Well every hour in the day You can here me say Baby won't you please come home, mmm Baby won't you please come home.

Baby won't you please come home 'Cause you're daddy's all alone I have tried in vain Never no more to call your name.

When you left you broke my heart 'Cause I thought we'd never part Well every hour in the day You can here me say Baby won't you please come home, mmm Baby won't you please come home.

When you left you broke my heart 'Cause I thought we'd never part Well every hour in the day You can here me say Baby won't you please come home, mmm Baby won't you please come home...
