

# Believe What You Say

Ricky Nelson

I believe what you say  
When you say you're goin' steady  
With nobody else but me  
I believe what you say  
When you say you don't kiss  
Nobody else but me  
I believe (I believe)  
Do believe (do believe)  
I believe (I believe)  
Yeah, I believe, pretty baby  
Believe you're goin' steady  
With nobody else but me

Well, there's-a one thing, baby  
That I wantcha to know  
When you're rockin' with me  
Don't rock too slow  
A-Move on in, get toe-to-toe  
We're gonna rock till we can't rock no more

I believe (I believe)  
Do believe (do believe)  
I believe (I believe)  
Yeah, I believe, pretty baby  
Believe you're goin' steady  
With nobody else but me

Well, let's dig it now

Well, I believe what you say  
When you say you don't miss  
Nobody else but me  
I believe what you say  
When you say you don't kiss  
Nobody else but me  
I believe (I believe)  
Do believe (do believe)  
I believe (I believe)  
Yeah, I believe, pretty baby  
Believe you're goin' steady  
With nobody else but me

Well, when you kiss me, baby  
Then you roll your eyes  
I get a funny feelin' that I'm hypnotized  
Chills run all up and down my spine  
I'm tellin' everybody that you're mine  
All mine

I believe (I believe)  
Do believe (do believe)  
Yeah believe (yeah believe)  
Oh, believe, pretty baby  
Believe you're goin' steady  
With nobody else but me

Oh, yeah

Well, I believe  
Do believe, yeah believe  
Well, believe, pretty baby  
Believe you're goin' steady with nobody else but me
