## Don'T Look At Me

**Ricky Nelson** 

I didn't do nothin', what are ya talkin' about I don't care who said so, but since you spitted it out I never touched her, that's a dirty lie You don't smell no perfume, I wouldn't even try

Don't look at me with those sad eyes Don't look at me Don't look at me with those sad eyes There's nothin' to see

She don't do nothin' for me, she never has
Think about the future, forget about the past
Livin' ain't so easy, and nothin's ever free
You got the whole world to fight with, you shouldn't fight with
me

Don't look at me with those sad eyes Don't look at me Don't look at me with those sad eyes There's nothin' to see

Believe me, baby please Jealousy is a disease

Don't look at me with those sad eyes Don't look at me Don't look at me with those sad eyes There's nothin' to see

Believe me, baby please Jealousy is a disease

Don't look at me Don't look at me Don't look at me...
