

# How Many Times

Ricky Nelson

How many times do I have to tell you  
That you're the person that I adore?  
How many times do I have to tell you  
And not repeat what I have said before?

How many ways can I say I miss you  
And skip the ever familiar rhymes?  
How many times do I have to kiss you?  
Don't make it less than a million times

I've said over and over and over and over again  
That you are my one obsession  
But I'd be willing to say it again and again  
If I thought it would make an impression

How many dreams do I have to sell you  
To make the one in my heart come true?  
How many times do I have to tell you  
Before you know I'm in love with you?

How many dreams do I have to sell you  
To make the one in my heart come true?  
How many times do I have to tell you  
Before you know I'm in love with you?
