

Life

Ricky Nelson

Life
Will go on without me
Take it and you'll see
It doesn't matter

Life
I know what your game is
You take it and trade it
For another

Life
Before you're over
I want something to show for
All my troubles

Time, come on in
I see you're back again
Where you going now?
I thought you'd know somehow

Life
If you keep going
I'll try to throw in
A little love

Life
I can't do without you
There's something about you
That keeps me going

Life
I don't want to stop now
I've been through so much now
Because of you

Tell me, life
What are you here for?
Tell me, life
I wanna know more
Tell me, life
What are we here for?
