

Stars Fell On Alabama

Ricky Nelson

We lived our little drama
We kissed in a field of white
And stars fell on Alabama last night.

I can't forget the glamour
Your eyes held a tender light
And stars fell on Alabama last night.

I never planned in my imagination
A situation so heavenly
A wonderland where no one else could enter
And in the centre just you and me, dear.

My heart beat like a hammer
My arms wound around you tight
And stars fell on Alabama last night.

I never planned in my imagination
A situation so heavenly
A wonderland where no one else could enter
And in the centre just you and me, dear.

My heart beat like a hammer
My arms wound around you tight
And stars fell on Alabama last night...
