## Stars Fell On Alabama

## **Ricky Nelson**

We lived our little drama
We kissed in a field of white
And stars fell on Alabama last night.

I can't forget the glamour Your eyes held a tender light And stars fell on Alabama last night.

I never planned in my imagination A situation so heavenly A wonderland where no one else could enter And in the centre just you and me, dear.

My heart beat like a hammer My arms wound around you tight And stars fell on Alabama last night.

I never planned in my imagination A situation so heavenly A wonderland where no one else could enter And in the centre just you and me, dear.

My heart beat like a hammer
My arms wound around you tight
And stars fell on Alabama last night...
