There Goes My Baby

Ricky Nelson

There goes my baby, man Movin' on down the line I wonder where, I wonder where She will bound, she will bound, man

I broke her heart, man, baby And I made her cry I'm alone, so all alone What can I do now? What can I do now?

Whoa, I want my baby And man, I need my baby I wonder where, why did she leave me? Why did she leave me? I'm so all alone, and I'm so all alone?

Forgot to tell her that I love her And when did I believe here? I need her right by my side To be my guide

I wanna know, where is my Where is my baby, man I want my baby I need my baby

And there she goin', there she goin' I let go my baby, baby She movin' on down that line And I wanna know where And I wanna know where She went down, she went down

Come back, my baby Don't go no further, I need you Come back baby, yeah Don't take another step I need you
