

You Know What I Mean

Ricky Nelson

I've got a girl, she's a regular date
When she's good she's good & when she's bad she's great
Do you know what I mean?
(I know what you mean)
Do you know what I mean?
(I see what you mean)
If you had a girl like mine, you'd know what I mean

She looks cool in a sweater & corduroys
She loves them bent but she likes fickle boys
Do you know what I mean?
(I know what you mean)
Do you know what I mean?
(I see what you mean)
If you had a girl like mine, you'd know what I mean

She likes to be around me; she knows where I stand
I'm so glad she found me; she finds me every time she can, yeah

Every evenin' when we're doin' our thing
She stays home 'cause she likes it in
Do you know what I mean?
(I know what you mean)
Do you know what I mean?
(I see what you mean)
If you had a girl like mine, you'd know what I mean

She likes to be around me; she knows where I stand
I'm so glad she found me; she finds me every time she can, yeah

Every evenin' when we're doin' our thing
She stays home 'cause she likes it in
Do you know what I mean?
(I know what you mean)
Do you know what I mean?
(I see what you mean)
If you had a girl like mine, you'd know what I mean

If you had a girl like mine, you'd know what I mean
If you had a girl like mine, you'd know what I mean
(I know what you mean)
