## **Young Emotions**

## **Ricky Nelson**

Young emotions are mixed emotions for it's a wold where love and confusion reign a world of hope and laughter and tears and pain at times a gentle breezed and a hurricane a world full of doubt but love works it out

Young emotions and strange emotions for though we're brave sometimes we are so afraid but knowing there are memories to be made we'll face each new tomarrow dear undismayed for our love will keep us together and our love will help us to weather these young emotions

For though we're brave sometimes we are so afraid but knowing there are memories to be made we'll face each new tomarrow dear undismayed for our love will keep us together and our love will help us to weather these young emotions.
