## It's Mighty Dark To Travel

**Ricky Skaggs** 

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey all alone

To me she was a little angel Sent down to me from God above It was on the day that I first met her That I told her of her love

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey all alone

Many a night we'd stroll together Talkin' of our love so fair My love for her will never vanish For I know I'll meet her there

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey all alone

Travelin' down this lonesome highway Thinkin' of my love that's gone Knowin' soon we'll be together She's the only love I've known

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey all alone

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey all alone
