

Lonesome Dove

Ricky Skaggs

I hear a lonesome dove off in the distance
His cry echoes out through the hills
He's sad that his lover flew off with another
And I know the sorrow he feels.

Lonesome dove we're not that different
You sing a sad song but you're not alone
You've been forever forsaken by the one that you love
I know how you feel lonesome dove.
I know how you feel lonesome dove.

I've tried to run from the pain of her memory
But I can't find a place I can hide
And that old lonesome dove is gonna mourn for his love
No matter how far he flies.

Lonesome dove we're not that different
You sing a sad song but you're not alone
You've been forever forsaken by the one that you love
I know how you feel lonesome dove.
I know how you feel lonesome dove
