

# Rendezvous

Ricky Skaggs

When you're feelin' lonely and you need a friend  
Someone who don't care where you've been  
Meet me, baby, at the rendezvous  
Like we did when our love was new  
Nobody knows just me and you  
Didn't I tell you? Don't it show?  
I said "I love you" a long time ago  
Then you went and broke my heart in two  
I don't care what people say, now  
True love will find it's way  
Darlin', I'll never make you blue.

At the rendezvous.

Meet me, baby, at the rendezvous  
You'll know me, I'll know you  
Kissin' in the shadows just like we've done  
Two hearts a-poundin' like a big bass drum  
You thrillin' me with your love so true  
Didn't I tell you? Don't it show?  
I said "I love you" a long time ago  
Then you went and broke my heart in two  
I don't care what people say, now  
True loves will find their way  
Darlin', I'll never make you blue.  
At the rendezvous.

At the rendezvous.  
At the rendezvous.  
At the rendezvous.  
At the rendezvous.

Meet me, baby, at the rendezvous...
